The light automobile tax based on the category is levied on owners as of April 1st. When you
receive your tax notice, please bring it to your nearest financial institution, convenience store,
or city hall to pay the tax. You can make payments via smartphone payment apps, credit
cards, internet banking, and the number Unified Local Tax QR Code (eL-QR) or eL, printed on
the tax notice. When you pay by credit card, a processing fee will be charged according to the
amount.

For details, please visit the "Local Tax Payment Site."  $\rightarrow$ 

• If your car is transferred, scrapped, stolen, or has a new parking location (where you keep your car), or if you have moved out of the city as of April 1st, you are required to complete the procedure. If you do not go through the procedure, you will continue to be taxed in a manner that does not reflect the actual situation.
